DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on February 27, 2006 has been entered.

In the Amendment Accompanying Request For Continued Examination (RCE) dated February 27, 2006, Claims **1-3 and 9** have been amended.

Election/Restrictions

Applicants' remarks, see the Amendment, dated February 27, 2006, with respect to the restriction requirement set forth in the previous Office Action have been fully considered and are persuasive. Claims **1-8** are directed to an allowable product. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), Claims **9-14**, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Claims **1-14** are hereby rejoined and fully examined for patentability under 37 CFR 1.104. Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the previous Office action is hereby withdrawn. Accordingly, Claims **1-14** are pending in the application.

Allowable Subject Matter

Claims **1-14** are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
